Discussion Questions for the Keynote Address

Small Group Discussions # 1

- Based on Sr. Maria Patricia's keynote address, how would you define "listening"? How does social media enable or disable us from listening?
- Why is listening particularly important in today's world? What are steps you can take to become better listeners in your family, school, and parish community?

Discussion Questions for Synodal Encounter

Small Group Discussions # 2

- Would you say that the world is in need of God? What steps should the Church take to make God known to people your age?
- In announcing the Word of God, the Church strives to walk together with all peoples. In your opinion is this happening today in your local church? Why? Is this experience of a church walking together with its people something you want to see reflected in your family or school? How?
